Becoming a Certified PraiseMoves Instructor (CPI) means we will consider you part of the PraiseMoves Ministry family. As such, it is important that we know something about you and that you agree with the Statement of Faith as outlined below.

We believe the Bible, both Old and New Testaments, are the inspired Word of God to man, the infallible authoritative rule of faith and moral conduct.

We believe there is one God, existing eternally; revealed in Scripture as Father, Son and Holy Spirit.

We believe the Lord Jesus Christ is the eternal Son of God. The Scriptures declare: His virgin Birth, His sinless life, His miracles, His shed blood and substitutionary death on the cross for us, His bodily resurrection from the dead, His being on the right hand of God the Father and His soon-coming return in power and glory.

We believe in the lost condition of man to sin, and man's need for a Savior, and that regeneration by the Holy Spirit is essential for eternal life in Christ.

We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. We believe in the resurrection from the dead of the saved and the lost; that the Bible declares there is a real heaven to be gained as well as a literal hell from which we can choose to be saved ("If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved" Romans 10:9).

We believe in the Body of Christ – in the spiritual unity of believers in our Lord Jesus Christ.

I have read and understand the *Statement of Faith* and agree with it without mental reservation.

29. PraiseMoves offers more than fitness classes. PraiseMoves is a ministry and a calling. Even if you have never taught yoga, will you agree you will not teach BOTH PraiseMoves and yoga? If you are a yoga Instructor, are you willing to give up teaching yoga to teach PraiseMoves? We feel very strongly about the wrong message conveyed to young believers by one who would teach both (please see: <http://praisemoves.com/calt> – the article “Why a Christian *ALTERNATIVE* to yoga?”).

You may teach one or the other, but not both. Would you be willing to teach PraiseMoves and not yoga? (**Please mark one, even if you do not teach yoga or have never taken a yoga class. Do NOT put “N/A” or leave this blank. It is important we know if you are willing to teach PraiseMoves and not yoga, even if you have never taught yoga or taken a yoga class before.**)

\_\_\_\_\_ No, I am not willing to give up teaching yoga.

\_\_\_\_\_ No, I may want to teach both yoga and PraiseMoves at a later date.

30. Do you currently hold ministerial credentials? \_\_\_\_\_ If yes, with which church or ministry fellowship or organization? \_\_\_\_\_

31. Since PraiseMoves is considered “The *Christian* Alternative to yoga,” we are interested in the faith of those who would like to represent us as instructors. Please describe your faith and the basis of your beliefs. For example, if you say “Christian,” is your faith founded on a Bible-based salvation experience when you accepted Jesus Christ as your Savior and Lord; or based on your membership to a particular church, your upbringing, feelings, or some other reason? 33. **Please note:** If attending an in-person certification: Applicants will not be permitted to attend a live, in-person certification training if they have *less than 4 weeks to study* the training materials at home. Many taking the Online training have been working out to PraiseMoves DVDs, and they will also be studying with us on the live Webinars for 4 weeks. If we allowed people to attend training who had less than 4-6 weeks to study the material, it would be unfair to those who had been studying for several months. We want you to rest assured that you are receiving a certification that MEANS something. We therefore strive to be a ministry of excellence, not a diploma mill.

Those attending an in-person certification ONLY, must record a brief 10-minute video of yourself teaching several of the PraiseMoves postures to one or more students or friends before coming to the live event. This does not have to be perfect! We simply want to assess your teaching style. Upload to YouTube and label "Unlisted." Email us the video link. We must receive it NO LATER than one-to-two weeks before the Certification weekend you will attend.

Those attending Online certification will also send us a video, *but this will be during the training*. Make sure you have or can borrow a video recorder or smart phone which records video.

34. Which of these Certifications would you like to attend? Space is limited, so those who send in their requests first and are accepted will receive preference.
